# Things done wrong...

---

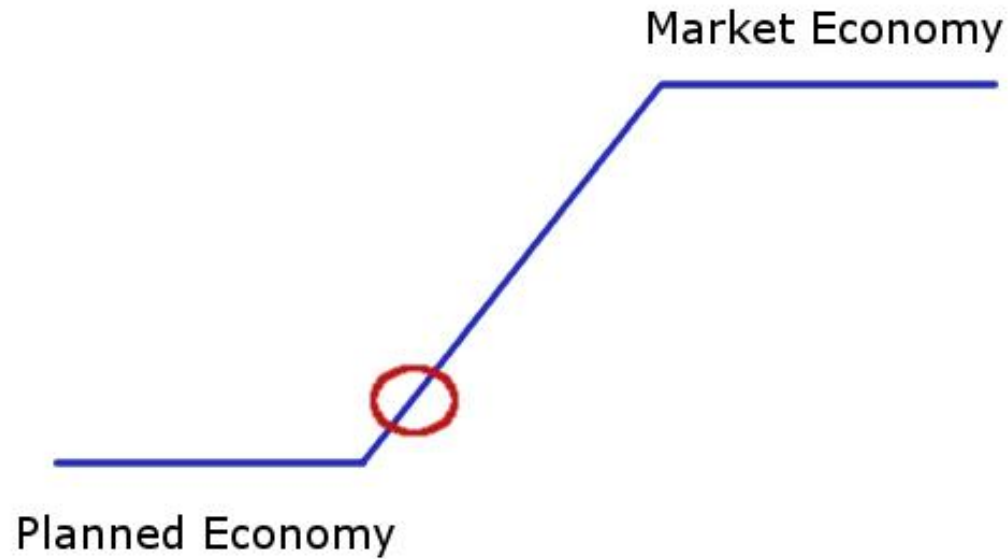

- ▶ Trips are too long
- ▶ Not bled
- ▶ 5 of 16 boats no proper bleeding bin
- ▶ Bled and gutted at the same time
- ▶ Poorly cleaned
- ▶ Poorly placed in boxes
- ▶ Too much in the boxes
- ▶ Not enough ice
- ▶ Lack of respect for the product
- ▶ Lack of education
- ▶ Mix the different days of catch when discharging
- ▶ Too much handling when sorted at shore

# Why is it like this?
